

## FOR ONLINE REGISTRATIONS

For you who signed up for the virtual modality. Here are some tips to help you attend the event:

- 1) Access the site [www.bbcsoficial.org.br](http://www.bbcsoficial.org.br)

Attention: some Universities or work environment, block access if you are trying to access the site on their wi-fi network. Please change location or internet.

- 2) Click in "Participant Area"

- 3) Enter the registered email and password when registering. If you don't remember your password, click "lost/forgot password". And if you still don't receive the email with the new password, it may have happened that you entered the wrong email when registering, so please contact the event secretariat.

### Login

You are about to enter the Attendee Area, for already registered attendees. If you didn't yet registered to the event, please register by [clicking here](#).

\* E-mail

Password

- 4) In your participants area, you will have the buttons to access the broadcasts you are registered for. In front of each event in your registration, there will be a blue button written "Enter" to enter the live transmission via Zoom. Click the button to watch.

## Registration Receipt
