TO ATTEND CLASSES

For you who signed up for the virtual modality. Here are some tips to help you attend the event:

1) Access the site www.bbcs.org.br

Attention: some Universities or work environment, block access if you are trying to access the site on their wi-fi network. Please change location or internet.

2) Click in "Participant Area"

3) Enter the registered email and password when registering. If you don't remember your password, click "lost/forgot password". And if you still don't receive the email with the new password, it may have happened that you entered the wrong email when registering, so please contact the event secretariat.

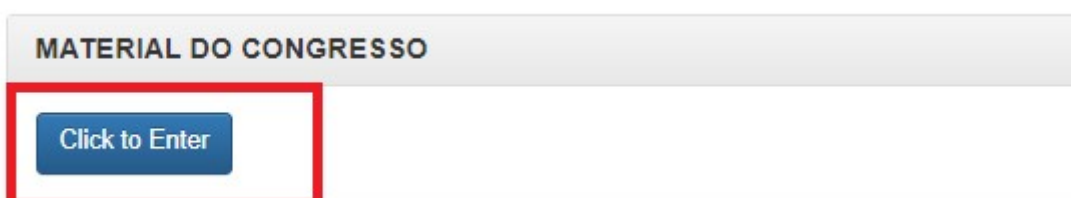

4) Click on the button marked in red according to the image below to see the lessons and presentations in power point.
